

McAfee® Total Protection

Get more from your life online

All-in-one online protection for your personal info and privacy, so you can enjoy your life online. Access robust tools like preventative Dark Web Monitoring and automated Secure VPN from any device, and be greeted with a consistent experience that meets you where you are. We'll carry forward our promise as a trusted market leader to protect the personal data and devices of everyone in your household whether they're tech power-users, sporadic users, or somewhere in between.

Come see what's new from McAfee. Protection that's...

We make online security simple so you can bank, shop, browse, and connect with confidence.

Everywhere

Our McAfee Security mobile app extends your online protection and privacy to meet you where you are. Connect confidently from the palm of your hand, wherever you go.

Preventative

You're free to live life online as we monitor the Dark Web for everything from emails to phone numbers. If you're ever compromised, we'll give you easy-to-follow instructions to secure your identity.

Personalized

Protection Score shows you how safe you are online and helps you fix any weak spots in your security. We'll ensure you're getting your money's worth of protection by letting you know which features haven't been set up.

Automated

Whether you're paying bills or just exploring, Secure VPN helps you stay private. Your VPN can turn on automatically when you need it, now even on mobile devices.

Internet Connection Required—No CD Needed

Your McAfee software is downloaded online to ensure you get our newest version.

Supported Operating Systems

- Microsoft Windows 11, 10, 8.1 fully patched (32- and 64-bit). Windows Enterprise not supported

Our Virus Protection Pledge to you:

We pledge to remove viruses on your devices or give you your money back, 100% guaranteed.

24/7 security experts:

Get friendly, around-the-clock assistance from an expert on our dedicated security team.

Windows® | macOS® | Android™ | iOS®

† License applies to personal use on supported devices you own during your subscription; see system requirements for details. Some features require additional configuration and/or hardware. To find out if your device is supported, go to: www.mcafee.com/SystemRequirements

* Virus Protection Pledge (VPP): To be eligible for VPP, you must be actively enrolled in our auto-renewal service with a qualifying product installed. If we cannot remove a virus from a device we support (see VPP System Requirements), we'll refund for the current term of your subscription the actual amount you paid for the qualifying product, or the value of the qualifying product if it was included in a bundle (see terms of service for details), less any discounts, rebates, refunds, shipping, handling or taxes. The refund does not apply to any damage or loss caused by a virus, we strongly recommend that you always backup your data to prevent data loss. Refer to our terms of service for details: mcafee.com/pledge.

**Eligibility: McAfee® Identity Protection Service Essentials is available within active McAfee Total Protection and McAfee LiveSafe subscriptions with identity monitoring for up to 10 unique emails. Phone number monitoring is enabled upon activation of Automatic Renewal. Not all identity monitoring elements are available in all countries. See Product Terms of Service for more information. Identity theft insurance is not available in New York due to regulatory requirements.
